

# 2010 TDHA Hunt for the Hungry Hog Hunting Tournament

March 5-7, 2010

Wilbur Baber Complex - Hallettsville, TX  
15 miles south of I-10 on Hwy 77

## Hunters Feeding the Hungry

In 2009 Hog Hunters came together and produced over 28,000 lbs of pork to feed the hungry of Texas. This hog hunting tournament is both the richest in prize money and the largest production of charitable meat in the world with the winning team receiving over \$3,000.00 in cash and prizes. All meat brought into this tournament during contest hours is donated to charities such as Hunter's Harvest to be disbursed amongst their missions that feed hungry Texans. This hunting tournament both feeds the hungry while at the same time helps Texas farmers and ranchers by removing hundreds of nuisance feral hogs from the countryside. Last year, TDHA was short of their 30,000 lb. goal. We are confident that goal is attainable this year. All meat donations will be accepted, whether or not you are competing, as long as it is in edible condition when donated. Come join in the fun and help us surpass our commitment!!!

Check out the following websites for more information regarding the tournament, Expo, and how you can help.
