

Replat & Amending Plat Process

REPLAT & AMENDING PLAT CERTIFICATION

City Departments will begin the review process to ensure the plat meets all Code and applicable City Standards. Once the plat goes through the resubmittal and review process and meets all standards, certifications are received.

SITE DEVELOPMENT PERMIT

If public improvements are needed, then a submitted Public Infrastructure Permit is required for the submittal of a Amending Plat/Replat Certification Application. All public improvements must be completed prior to plat recordation.

REPLAT & AMENDING PLAT APPLICATION

With the submittal of the formal application, fees are assessed. The Amending is administratively approved, unless a waiver is requested.
